

Statement, Assumptions Questions for IBPS, SBI Banking Pdf

In each question below is given a statement followed by two assumptions numbered I and II. Consider the statement and decide which of the given assumptions is implicit.

1. Statement :

Why don't you invite Anthony for the Christmas party this year?

Assumptions :

- I. Anthony is not from the same city.
- II. Unless invited Anthony will not attend the party.

Ans: B

Anthony's place of living is not mentioned in the statement. So, I is not implicit. Assumption II follows from the statement and so it is implicit.

2. Statement :

Children are influenced more by their teachers nowadays.

Assumptions :

- I. The children consider teachers as their models.
- II. A large amount of children's time is spent in school.

Ans: A

Clearly, it is because children consider teachers as their model that they are more influenced by them. So, I is implicit. It is not necessary that the children are influenced by teachers because they spend much time in school. So, II is not implicit.

3. Statement :

Never before such a lucid book was available on the topic.

Assumptions :

- I. Some other books were available on the topic.
- II. You can write lucid books on very few topics.

Ans: A

It follows from the statement that books on this topic were available before also but they were not lucid. So, I is implicit. But a general comment as II cannot be made from the given statement. So, II is not implicit.

4. Statement :

Without reforming the entire administrative system, we cannot eradicate corruption and prejudice from the society.

Assumptions :

- I. The existence of corruption and prejudice is good.
- II. There is enough flexibility to change the administrative system.

Ans: B

The system talks of eradicating corruption and prejudice from the society, which indicates that these aspects are undesirable. So, I is not implicit. Besides, the statement mentions about reforming the administrative system. So, II is implicit.

5. Statement :

“Avon Cycles – Fast, easy to ride, impressive, reliable, crafted and up to date automation.” – An advertisement.

Assumptions :

- I. There is no other cycle with any of these features.

II. People do not bother about the cost.

Ans: D

The advertisement is for Avon cycles and nothing about the cost or the features of other brands of cycles, is mentioned. So, neither I nor II is implicit.
