

**Passage Completion MCQS Pdf**

The Universities in India must learn to ---(1)--- individuality, variety and dissent ---(2)---, a climate of tolerance. Dissent there is, even now, but usually of a sensational kind. The general tendency however, is, to produce the "organization man" who is ---(3)--- to challenge the accepted pattern of social behavior and social institutions at the intellectual level and who is ---(4)--- often anxious to worm himself into the good ---(5)--- of the people who count. So that he may be able to get on in life.
